Mr Dewan's
matter (Page 30 of the note in
Sam. Reg-'06).

Mr Long As the Health Officer is
entrusted with the duties
connected with Sanitation there
seems to be no difficulty in giving
him a seat on the Board in place
of the Vice President, though it
seems advisable to retain the
latter also on the Board & to make
due provision therefor in Section 4
of the City Improvement Regulation
Act & forwards.

It seems desirable that the Health
Officer should have a seat on the Trust
Board but I doubt the desirability
of finding a seat for him by removing
the vice president from the Board The need
for coordination of the work ~~both~~ of the
Trust Board & the Municipality
has been felt & I think it is expe-
dient to displace ~~replace~~ the vice president
of the Municipality from the Board

Three members on the Board are appointed by Govt & the present nominees are Mr Maconochie, Mr Jaffer Sahib, & Mr Ananthapadiah, whose present term expires in Jan[y] 1908. Perhaps the health officer may be appointed to the Board when fresh nominations are made in Jan[y] 1908, if no change of the law is considered desirable

If an amendment of the Regn may be made, it is perhaps best to increase the Strength of the Board from 8 to 9 by adding the Health officer as an additional member, or if the Strength is kept unaltered, the City Health Offr. may perhaps take the place of the Dt Civil Surgeon.

I think it will be undesirable to dispense with the Municipal Vice President & the Civil Surgeon from the Board. It is preferable to amend the Regulation so as to increase the number from 8 to 9, adding Assistant to the Commissioner, the Health Officer
